June 24th 2014 at the DoubleTree Hotel, Culver City, California

AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

**Chris Luther, Director of Professional Services, SGL**

## **BIOGRAPHY**

Chris Luther is the Director of Professional Services at SGL, based out of New York. He has been with SGL for 7 years, helping Broadcast and M&E companies streamline their creative workflows. Previously he was Director of Technology at The Color Wheel, in charge of Graphics/Pre-Press/Video and Post workflow creation and management systems.

As Director of Professional Services at SGL Chris plans and implements some of the largest archive and content management systems for national networks, local broadcasters and other M&E organizations.
