Pallab Chatterjee, Editor in Chief, Media & Entertainment Technologies

BIOGRAPHY

Pallab Chatterjee is currently Co-Founder of Roadway Media and Editor in Chief of Media & Entertainment Technologies. His role in media overlaps with his independent technology & business development consulting practice he has operated since 1985. His activities are currently focused on media production for on-line and television and technology centered business development. The projects and his personal interest span the areas of art, film, broadcast, music, education, consumer, data analytics, automotive, security and medical products. He is continuing his role as Co-Founder of the Silicon Valley Trade Council as well being a Sr. Editor of the IEEE Consumer Electronics Magazine. He is currently organizing and founding a chapter of the IEEE Broadcast Technology Society in the SF Bay Area. He was awarded recognition as an ISQED Fellow and previously served as an officer of IEEE Nanotechnology Council, IEEE Education Society and IEEE Consumer Electronics Society.

Mr Chatterjee holds a BSEE from UC Berkeley, a MSEE from San Jose State and has taught at San Jose State, Santa Clara University, Silicon Valley Technical Institute and California Polytechnic Institute. Mr. Chatterjee is also an author of technical books with Springer Publications, Wyle and Technology & Imagination Press. His television content is currently being broadcast on Comcast, AT&T and Ustream.
